Objectives

Small Regional Presenters aims to increase the quality, quantity and diversity of professional performing and live arts available to audiences in regional Victoria.

The initiative will seek to support regional presenters to:

- present quality, relevant arts programming to local audiences;

- build their capacity to present and program in their local area and develop long term sustainability and;
- deliver COVIDSafe performances and live arts.

Priority is given to shows presented in communities with limited access and opportunities to experience performing and other live arts presentations.

Who can apply?

Regional presenters with a history of presenting professional performing and live arts events in their local community are eligible to apply for funding of up to \$15,000 for presentations scheduled for 2023.

Please note this is the only round of Small Regional Presenters that is open for presentations taking place in 2023.

Regional community presenters that are incorporated not-for-profit organisations and do not receive organisational or multi-year funding through Creative Victoria.

OR

Local Government Authorities that do not receive organisational or multi-year funding through Creative Victoria.

Please note:

- A community presenter is an incorporated association, operating as a not for profit organisation, located in regional Victoria. Community presenters should have a policy of reinvesting surplus funds back into performing arts activities and be able to demonstrate an annual program of presenting professional performing arts activities.
- New organisations/presenters are eligible to apply and must be able to demonstrate their capacity to manage presentations of a similar size and scope. We strongly encourage you discuss your proposal with the Program Manager before applying.
- An applicant's postcode must reflect their residential or business address in one of the 48 local government areas classified as 'regional' by Regional Development Victoria, a department of the Victorian Government. You can find a list of these local government areas [here](#). Please contact Regional Arts Victoria if you are uncertain.
- Groups and organisations must either be legally incorporated and have an ABN, or have an auspice organisation manage their grant.

What is on offer?

Applications can be for presentations of a single show, a show that is part of a tour, several shows over several months, or for an annual program of shows. Presenters can receive up to \$15,000 through this program for presentations taking place between 1 January and 31 December 2023, under the following conditions:

- Community Presenter applicants can apply for up to 100% of presentation costs to reflect ongoing COVID-related financial uncertainty. Presentation costs requested must not exceed \$15,000.

- Applications may include presentation costs associated with booking performances from Regional Arts Victoria or other touring productions. An external panel of assessors will decide which applicants are successful to eliminate conflicts of interest.
- Local Government Authority presenters must match the funding requested on a dollar for dollar basis as their applicant's cash contribution.
- Applicants are not required to be Members of Regional Arts Victoria, but must provide a certificate of incorporation and evidence of public liability insurance as part of eligibility. If an applicant is having an auspice apply on their behalf, they must provide a Letter of Support from their Auspice Organisation.

Presentations must be:

- Presented in regional Victoria, for local audiences.
- A professional live Australian show, production or performance from outside the local government area where the presentation is taking place. This program supports all genres of the performing arts and other live shows, including literary events.
- Ticketed, with box office income.
- Open to the general public.
- A paid presentation, where the presenter pays a fee to bring the show to their community.

Funding through this program can cover costs such as:

- Project / production - show fee, front of house/ushers, technical support, equipment hire, venue costs.
- Marketing and promotion - printing, distribution, advertising (print, radio, social media, other), design.
- Administration - phone, fax, postage, insurance.
- COVIDSafe event delivery - PPE, sanitiser, signage, cleaning costs.

The costs must be for the show(s) applied for, i.e. insurance for the specific show(s), not the entire year. The above list provides examples of the most usual costs. It doesn't cover everything that may come up.

Examples of Supported Activities:

- A community presenter presenting a show that is part of a national tour at the local community hall.
- A Local Government Authority presenting a program of live shows at halls across the shire. The program may include a variety of shows (e.g. contemporary theatre, chamber music, poetry readings and contemporary music), and may take place across several months.
- A community presenter presenting a show with support from a Local Government Authority managed venue (e.g. in-kind assistance with marketing and promotion, ticketing or technical support). This could include newer presenters receiving support from their local professionally managed performing arts centre, or a more experienced

community presenter planning to present a show of greater scale or complexity than usual.

- A community presenter or a Local Government Authority presenting one show, such as the headline act, as part of a local festival.

COVID Safe Considerations

- Applicants must demonstrate that they have considered the potential impact of COVID on their planned activities, and should indicate their intentions should the planned show(s) be affected by COVID restrictions.
- COVID Safe Plans and associated costs must be included in the application to be eligible. It is recommended that these costs are no more than 10% of the overall funding ask.
- In the event of COVID-related project cancellations or rescheduling, SRP recipients will be eligible to apply for a COVID Safe Contingency grant equivalent to the amount of unrecoverable costs incurred. This would be capped at a maximum of 10% per eligible recipient and open throughout the entirety of 2023 or until expended.
- If funded shows are cancelled due to COVID and unable to be rescheduled, SRP recipients will not be required to return funds. They will instead be required to honour artist/producer fees, then reinvest any unspent funds into future shows. In these instances, applicants will be required to contact Regional Arts Victoria to discuss.

- Applicants outside of regional Victoria;
- A for-profit company; or
- Applicants who receive organisational or multi-year funding through Creative Victoria.

- Applications that do not demonstrate the required level of financial support from the presenter.
- Applications from the producer, creator, manager or tour coordinator of the show. These applications should instead be directed to [Creative Victoria's](#) VicArts Grants, Music Works or Touring Victoria programs as best suits the proposed activity. Contact program staff to ensure you are applying to the most appropriate funding program.
